

DECEMBER 2024

# Holiday Schedule for Private Citizen Drinking Water Sample Drop-off

Plan ahead to ensure your water sample will get tested prior to the holiday.

**For this location the final drop-off is December 17, 2024  
by 4:00 PM**

**Drinking Water Sample testing service will re-start on  
January 7, 2025**

**Note: samples must be tested within 48 hours of collection in order to ensure sample integrity.**

If you have concerns about your water quality, contact your local public health unit. <https://www.phdapps.health.gov.on.ca/phulocator>

Thank you for your cooperation and have a pleasant holiday.
